Dear Ryan,

Following the work that you performed at our site yesterday, it comes as no surprise that you run a successful business. The fact that you promptly sent us an email to explain what was achieved may seem a simple and common practice for you but it demonstrates your professionalism and allows management to understand in lay mans terms what has taken place.

Having used your services for over a decade, you never fail to deliver or in the very least, provide us with a variety of solutions. Apart from your technical skill, it is your can-do attitude and integrity that wins us over every time.

Kind Regards,

Mark Gilbert - ANZIIIF (Snr. Assoc.) CIP, Diploma Fin. Serv.(Ins. Broking), QPIB
